

June 2024 Newsletter

Dear Members and Friends

Public Speaking: Join Our Club – Why?

Do you want to improve your public speaking skills and leave the Earth in a better place for future generations? Do you believe that public speaking is a powerful vehicle for change? If the answer is yes, join us!

We will help you improve your public speaking skills, or you can test your material with a supportive audience. **We don't have to look far into history to see the impact of effective communication**—think of Martin Luther King Jr.'s "I Have a Dream" speech, Winston Churchill's wartime addresses, or Malala Yousafzai's powerful advocacy for education.

Join a dynamic group that **supports each other** in honing public speaking skills:

<https://sustainablespeakers.org/join-us>

Meet some of our inspiring speakers and change-makers and discover how you can be a part of this transformative journey speaking journey!

Meet Sarah Ferguson:

We are excited to spotlight Sarah Ferguson and wish her the best of luck on her **World Ocean Day Swim!** Sarah and her team have managed to [sign up over 400 swimmers](#). This annual fundraiser supports her **non-profit organization**, Breathe, and **raises awareness about ocean conservation**.

Sarah speaks passionately about the severe pollution and plastic waste threatening marine life.

We wish Sarah the very best of luck and support her mission to clean up the seas and upcoming keynote speech.

Meet Md Humayain Kabir:

An Environmental and Climate Scientist who spoke at the [Austrian Transformation Forum](#) this event brought together more than 70 groups to work towards making positive changes for society and the environment.

The event was introduced by Federal President Alexander van der Bellen via video, Kabir shared **experiences from climate-vulnerable Bangladesh, discussing the devastating impacts like sea level rise and coastal erosion**. He highlighted the story of his colleague Mamun, whose home was destroyed by rising waters. Despite low emissions, Bangladesh is now a hub for climate change adaptation.

Kabir commended Austria's climate efforts and called for global collaboration and climate justice.

Congratulations Kabir and Wishing the very best for your next speech.

Now Meet Our Mentors and Coaches:

Our highly experienced mentors specialise in public speaking and sustainability, providing tailored guidance to help you excel.

A heartfelt thank you goes out to our dedicated club members and mentors, **Moirra O'Brien, Chris Boden, and Shirley Gallagher**, for representing us at a recent conference and graciously accepting a **special award on behalf of the club**. Your unwavering support and commitment mean the world to us!

Hear It from Our Members and Visitors:

When considering a purchase or joining a new group online, what's the one thing you always look for? Reviews, of course!

Our club comes highly recommended by both members and visitors alike. If you're serious about driving change and self-improvement, consider joining us. **Your future self will thank you!**

"It was a fantastic meeting, all the roles were very well prepared in advance, every member brought professionalism, enthusiasm, warmth, and a fun energy to the evening."

Natalie Kay
London
March 2024

Join us on the **2nd and 4th Monday of each month 6:30 (GMT+1).**

Enjoy themed sessions on Sustainability (People & Planet), expertly woven into the agenda.

The theme for Monday, **June 10th's meeting** is "Debating in Practice."
