Public Speaking : Crafting a Powerful Speech !

- 1. Make it personal:** Craft relatable stories that connect with emotions and everyday life
- 2. Tailor the message:** Align with your audience
- 3. Keep it clear:** Use simple, conversational language free of jargon.
- 4. Highlight benefits:** Show how sustainability tackles real issues
- 5. Drive action:** Offer easy steps people can take to make a difference.

Practice speaking in a safe environment and have fun whilst receiving feedback and mentoring

Register for a Meeting

Welcome to December: Members + Guests Opportunities 2025

Events and workshops to support your public speaking journey in sustainability. Themes are designed to keep our meetings cohesive and engaging.

1. Monday Regular Meeting

9th December 2024, 6:30 pm GMT

Theme: Clean Energy

'I'd put my money on the sun and solar energy. What source of power! I hope we don't have to wait till oil and coal run out before we tackle that'
Thomas Edison

2. Monday Regular Meeting

16th December 2024, 6:30 pm GMT

Theme :Corporate Sustainability

'Sustainability is no longer about doing less harm. It's about doing more good' *Jochen Zeitz*

3. Wednesday Drop-In's

Weekly sessions led by Marc Lottig continue to help members strengthen their public speaking skills, test out speeches, and receive valuable feedback in a supportive, small-group setting.

4. Fun Quiz (Closing date 24th Dec)

2025 Events & Workshops

Sustainable Speakers Online: Thriving Together!

Club Milestones

Our club continues to thrive, with guests praising our sessions for their organisation, engagement, and inclusivity. Focusing on sustainability themes, we are proud to provide a supportive and dynamic learning space for all.

As we close out 2024, we are on track to achieve an impressive 9 DCP points—reflecting growth in membership, educational milestones, and

leadership development.

Club Insights

Honouring Our Members' Achievements

Celebrating Dain's Achievements

We are thrilled to announce that club member Dain Robinson has been short-listed as a finalist for the prestigious '*Rising Sustainability Star*' category at the Edie Awards!

The awards ceremony will be held on March 13, 2025, in London. We are incredibly proud of Dain and wish her the very best of luck!

A Heartfelt Thank You to Our Mentor, Ron

A heartfelt thanks to Ron McTavish(Vice President of Membership & Mentorship Lead) , for his tireless support of mentees in achieving their goals. Recently, Dain Robinson, an Edie Award finalist, praised Ron on LinkedIn as an inspiring and supportive figure in her journey. **We salute you, Ron McTavish, for making a difference in people's lives!**

Celebrating Majda's Achievements

Majda Tafra, Professor of Journalism and President of Creation News Agency, spoke at the World Congress of Entrepreneurs in Podgorica

and Budva. Her presentation focused on the Monetisation of ESG (Environmental, Social, Governance), highlighting how capitalism is evolving to link profit with responsibility. She emphasised the need for businesses to integrate ESG goals into their models for sustainability and competitive advantage.

Join us

A Warm Welcome to Our New Members

This month, we are thrilled to welcome three incredible additions to our global community: Dennis William Njobvu (London), Nadia Liapi (Switzerland), and Masheka Awari (USA).

Dennis Njobvu: Bringing Fresh Ideas from London

Dennis, an experienced executive recruiter in London specialising in the E-mobility sector and its value chain, is passionate about sustainability and advancing cleaner transportation options . His dedication to transport decarbonisation and meticulous hiring approach helps companies secure top talent to lead a greener, more sustainable future

Masheka Awari: Championing Change Across Borders

Masheka Awari, known as "Bear," is a public health expert with over 20 years of experience. A champion of environmental justice and climate

action, she amplifies minority voices in sustainability and innovation. Masheka mentors for Global Community Leaders for Sustainability and actively supports the American Heart Association.

Nadia Liapi: Inspiring New Horizons

Dr. Nadia Liapi, with a PhD in Neuroscience and certification from the Cambridge Institute for Sustainability Leadership, specializes in brand strategy and sustainability. Passionate about sustainable diets, innovative food systems, and storytelling, she drives meaningful change through community engagement.

Testimonials

Michael May (Ireland)

Sustainable speakers is a fantastic, professionally run, online club in which participants can practice public speaking in a friendly environment whilst learning about the important topic of sustainability. I have visited the club on a number of occasions and found the speeches very educational and inspirational. It's a great opportunity to meet people from around the globe too.

'Communication works for those who work at it'

John Powell
